

*Why is Anzac day so special to me?*

*105 Years ago the Anzac people fought Turkey in 1914 when WWI first started. Also the Anzacs fought in Turkish territory. The exact spot was Anzac bay, Turkey. Find Turkey at <https://www.GoogleEarth.com>*

*The Anzacs lived in hand-dug trenches. Not the deepest part of the ocean. They used shovels and mattocks (pickaxes) to construct trenches.*

*Anzac day is special to me because back in the day my great grandad fought in the Vietnamese war. He was one of the survivors and was sent back home. Also Anzac day is the yearly opportunity to remember him. He also fought in WWI. There are pictures of him at my grandparents house.*

*LEST WE FORGET*
