Learn to Live, Live to Learn

Term 4 Week 5 2017

www.ulladulla-p.schools.nsw.edu.au

Dear Parents and Students,

Welcome to Week 5! A wet start to the week but it is great to see that we are getting some much needed rainfall. Please take care when dropping off and picking up your students. This kind of weather always makes us rush but can lead to accidents that can be easily prevented.

Student Prefects

Congratulations to all of the Year 5 students who participated in the 2018 Prefect elections. We received a record number of top class nominees, and CV's and election speeches were of a high standard. This morning, Miss McGowan revealed the top 5 boys and girls candidates to staff and to students who made the top 10. However, the actual results of who will be our 2018 Captains and Vice-Captains will be kept secret until the presentation assembly at the end of the year.

Commiserations go to the 10 boys and girls who missed out, but they will have the opportunity to take up a leadership role as a Sports Captain or Environmental Councillor. There is so much potential in this group so please make sure you use it despite this setback.

Kindergarten Orientation

There were over 100 smiling and enthusiastic new Kinders who attended our 2018 Kindergarten Orientation last week. It was also great to see so many parents at the formal presentation in the hall. This session provided essential information about what to expect next year. Kinders will visit classrooms again this week. Please refer to your

2018 Kinder letter for times and dates. These sessions are of great importance for children and parents and will only add to a more positive start in 2018.

Principal for the Day

Congratulations to Talika I. on receiving her 6th gold award and being awarded the honour of being "Principal for the Day". Talika and her very own personal assistant will get to work in the office on Friday 24th November. What an amazing achievement!

Students from Ulladulla High School

Please note; Ulladulla High School students are not allowed on Ulladulla Public School grounds between the times of 3.00-3.30pm. unless supervised by a parent. The High School provides supervised programs during this time. There are some unique circumstances that will provide some high school students with an exception but this has to be approved by our senior school executive.

Have a great week!

You are invited to the 2017 UPS Scholastic Book Fair in the library!

Students will be able to preview the Book Fair products from Thursday 9th November to Tuesday 14th November during their library time or before school and after the middle lunch bell. While the students are previewing the Book Fair products they will be able to complete a Book Fair Wish List.

The Book Fair starts on Wednesday 15th November and runs over three days finishing on Friday 17th November. Books will be available for purchase in the library over this time between 8:45am to 9:25am and again from 3:30pm to 4pm.

The Scholastic Book Fair is a great place for children to discover a love of books and ignite a lifelong passion for reading. The Book Fair is also a great place to buy a book for a loved one for Christmas, a birthday or a special occasion.

If you are unable to attend the Book Fair and you would like to place an order, please feel free to pay online at www.scholastic.com.au/payment and fill in the form. Please return your completed form, with your receipt number, to the school library before the Book Fair closes on Friday 17th November.

While we will endeavour to fulfil your order on the day, if we run out of the items you have purchased we will order them for you and have them delivered to your child's class when they arrive.

The school library will also be running a competition to reward the students across the school who have borrowed the most library books this year. There will also be a colouring competition for students in Kindergarten to Year 2 and a competition to solve the Jungle Book-Jumble for students in Year 3 to Year 6. With the support of Scholastic Australia and our school library, seven students will receive a free book from the Book Fair!

We look forward to seeing you at the Book Fair!

Milton / Ulladulla Interschool Public Speaking and Debating Competition

UPS was the host for this year's competition. Unfortunately, St Mary's was unable to participate this year.

The competition consists of two junior public speakers, two senior public speakers and a debating team.

The competition was really close with Milton Public School winning the junior public speaking and UPS (Elise L.) winning the senior public speaking.

The topic for the debate was "That primary aged children should be banned from having a mobile phone". UPS was the affirmative.

The debate proved to be very close with Milton winning. This put Milton Public School one point ahead of UPS and therefore retain the shield for another year.

Thank you to Hayden and Charlotte from 4H for acting as chairperson and timekeeper.
