Term 4 Week 7 2017

[www.ulladulla-p.schools.nsw.edu.au](http://www.ulladulla-p.schools.nsw.edu.au)

Dear Parents and Students,

Welcome to Week 7!

Last week I attended the Region's Principal Conference at Batemans Bay. The majority of the sessions covered were on school planning which we will utilise in developing our new school plan which runs over the next 3 years (2018-2020). Ulladulla Public School's Executive team will be enthusiastically working over the next few weeks to ensure the plan is complete and ready for the start of next year. The major areas of focus will include student and staff well-being, as well as innovative and quality teaching and learning.

## Positive Environment

It is great to be able to walk around the school and see so many positive interactions between students and staff. I lost count of how many times students said good morning to me today as I showed a new member of staff around the school. Although sometimes taken for granted, these small but positive gestures make our school a welcoming and positive environment for all. It's great to know that our school is really a happy and safe place to be.

*Lachlan, Lucy, Andrew and Emily being happy, positive role models!*

## Parent Helper's Morning Tea

Tomorrow morning (from 10.30am) we hold a special morning tea to say thank you to all of the parents, family members and friends who have helped at school this year. Without your assistance, we would have to modify many of our school activities such as sporting carnivals, class group work and events such as market day. Your support is always greatly appreciated!

## South East Illawarra Performing Ensemble

Last Monday our students were fortunate to watch a performance by the South East Illawarra Performing Ensemble at Ulladulla High School. This performance group is made up of High School students from across the South Coast. They sing, dance and play band instruments. Our students and staff were amazed at the talent that was on show and the high level of accomplishment that students from public schools can aspire too.

## 2018 Departures

Families planning to leave Ulladulla Public at the end of 2017 (except families in Year 6), could you please let us know in writing or call the office 4455 1649 so we can update for 2018. Thank you for your cooperation with this matter.

*Have a great week!*

Join the challenge and Get in Step Shoalhaven! Make your footprint!

Get in Step is a program designed by Shoalhaven City Council in partnership with Illawarra Shoalhaven Local Health District and Grand Pacific Health. They have teamed up to "Make Healthy Normal" with a series of signed health walks to signal one kilometre intervals. Follow the footsteps along 18 different walks across the Shoalhaven, all in the aim to encourage people to get walking more.

Can you find the 18 locations? Walk, Register and Win!

1. Find the 18x1km footpaths promoted with pavement signs and share either a selfie of your walk and/or your story on the pathway on Council's Get Involved page for your chance to win a prize pack!
2. Please see website for more details <http://getinvolved.shoalhaven.nsw.gov.au/>.
3. Please see YouTube video: <https://www.youtube.com/watch?v=E0jWxzst2E>
4. Register at Get Involved, upload a photo of video with your name and share your story to take part. Once you register, you can enter from each of the 18 locations to have more of a chance not only to win, but 18 places to enjoy a walk.

The "footprint" signs will assist walkers or runners with gauging distances and improving fitness.

Winners will be selected at random and announced on October 31st via Council's Facebook page. By making a submission participants agree that their photos or videos can be used on Shoalhaven City Council's digital platforms. Deadline is October 30<sup>th</sup>.

More information:

1. Borrow a pedometer from your local Library.
2. Pick up a map and fill out a survey for an extra chance to win. Locations for maps and surveys: Libraries, Shoalhaven Swim and Fitness Centres, Grand Pacific Health, NSW Health Facilities, High Schools and Council Administration Buildings.
