Term 4 Week 8 2017

www.ulladulla-p.schools.nsw.edu.au

Dear Parents and Students,

Talika I. of class 5B will be this week's guest editor of the newsletter. Talika recently received her 6th Gold Award and was awarded the role of "Principal for the day". I was particularly impressed with Talika's organisational skills. Talika was also supported by her loyal and capable personal assistant Charli M.

Talika's Report

On Friday 24th November, I received the privilege of being Principal for the day after receiving my 6th Gold Award. I was able to share this role with friend, Charli Martin, who acted as my very own personal assistant. We were busy throughout the day doing various jobs as well as visiting many classrooms in order to congratulate lots of students. We got to address the K-6 Assembly and hand out Silver and Gold awards to lots of outstanding students.

We were very lucky in the afternoon as we were both allowed to attend sport at the Dunn Lewis Centre. Charli and I bowled really well and we topped off the day with a 'slushie'. Being Principal was lots of fun but very busy. Thank you for this great opportunity!

Talika and Charli working hard and yes they did get lots done despite this very relaxed photo!

Year 6 Berry Camp

Our Year 6 contingent are off to spend a week at Berry Sport and Recreational Camp. It was great to see so many excited faces (students and staff) whilst waiting in the COLA this morning. Camp is such a fantastic opportunity for students to further develop their life skills, build on their independence as well as enhance their risk taking skills. Thank you to Ms. Morales, Mrs. Bliss, Mr. Clark, Mrs. Cater and Mr. Johnson for attending as they give up their own time with their families in order to support this very rewarding opportunity. Expect to see some very tired students come Friday!

Changes to K-2 Presentation Day Assemblies

This year, we are going to combine the Kindergarten, Year 1 and Year 2 Presentation Day Assemblies into one K-2 Assembly. This is in line with our 3-6 assemblies and will improve consistency across our school. Unlike previous years, not all students will receive an award. We would like to recognise and reward excellence across a range of academic and social domains. Parents of students receiving an award will be notified this week.

Calling all young poets!

The Milton Show will be hosting the Junior Poetry Recital competition once again on 3rd March 2018 at 9.30am.

No entry fee for junior poets in Years K-6.

"On the wings of imagination we give voice to poetic themes"

Last Milton Show we saw a wonderful, diverse group of young performers who entertained the audience with their selection of poems, humour and outstanding ability.

It is gratifying to see that the love of poetry and spoken verse is being fostered in the homes and schools of our community. Those who would like to present their own poems are most welcome.

Australia has a rich poetic tradition which is highlighted by this Junior Poetry competition at the Milton Show.

Poems may be spoken or read but preference will be given to spoken verse.

Prizes are: **1st** \$30 **2nd** \$20 **3rd** \$10

Ribbons for 1st-6th place plus a book for all competitors.

The competition is restricted to the first 12 entrants.

So brush up your poetic skills in front of a mirror, at the dinner table, in the playground or to the endless sky.

Active Kids Program Letter to Parents/Guardians

Dear Parents

Participation in sport is extremely valuable to our community. However, parents and families can at times find it difficult to meet the costs associated with their kid's participation sport.

That is why the NSW Government has announced the Active Kids Program designed to help parents with the financial costs of their kids participation. We want to make sport and fitness activities more affordable and get kids off the couch and active.

From 31 January 2018, parents will be able to claim up to \$100 per school enrolled child per calendar year as a voucher to reduce the cost of eligible sport and fitness activities.

These activities could include traditional sport such as netball, football or cricket; as well as other fitness or physical activities such as swimming classes or dance.

The rebate is not means tested so every family has access to this initiative. Parents will be able to register for the voucher online from 31 January 2018.

If you want to hear more about the Active Kids Program when it opens in 2018 please contact my office on (02) 44210222 so I can keep you up to date.
