Term 1 Week 5, 2017  
[www.ulladulla-p.schools.nsw.edu.au](http://www.ulladulla-p.schools.nsw.edu.au)

Dear Parents and Carers,

Scripture will start next week. It is run on a Thursday with teachers provided from respective churches and Ethics group. All staff have working with children checks and have been trained and approved by their governing body. There are limits on number of students who can do Ethics and so some students who have selected this may not get in.

Crunch and Sip is a program many schools run, including ours. It allows students to have a quick break half way through their morning session to eat a piece of fruit or vegetable. Please remember how fast your child eats and the fact that they only have a quick break. It is best if they have a whole piece of fruit that it is cut ready for them, or in the case of an orange, peeled. (This is critical in Kindergarten.)

## Recess and Lunch

This has been a controversial topic in the media over the past couple of weeks and the needs for healthy lunches. All classes are supervised during the eating time. Students should be provided with a wholesome snack for recess and a sandwich and perhaps a treat at lunch. It is important that food is not "junk" food as too much sugar upsets the brain and sugar levels and interferes with students' ability to concentrate. In some instances some foods make children aggressive. Please consider what you pack. Encourage your child not to share as we do have a number of students who have Anaphylactic reactions to some foods. For this reason we ask that you not send nuts or peanut butter sandwiches to school. We are not a nut free school but if we can all work together to make it a safer place for all students is great. This goes for birthday cakes parents might send in. It is best if they are cup cakes and the ingredients are listed on the container. I know this is time consuming but some students are allergic to eggs and other food products.

## Health Care Plan

I know I spoke of these previously but it is essential that you provide the school with a Health Care Plan, in colour, signed by your doctor. If you have indicated, on enrolment that your child has asthma or an allergy, these need to be provided ASAP, along with the appropriate medication, that is a puffer or epipen.

## Swimming Carnival

I must apologise for my oversight in not thanking the Ulladulla Swim Club for their part in the successful swimming carnival held a couple of weeks ago. Your ongoing support is appreciated by the school and assist us in ensuring things are done correctly and that we have enough shade and helpers to make the day run smoothly.

School Photos are coming up next week. Please return your note with correct money as soon as possible.

## Concerns

If you have a concern in regard to your child, please contact the class teacher in the first instance. This will, in most cases, answer your concerns. If you are not happy with the handling of an issue by a classroom teacher then please contact their supervisor and they will organise a combined meeting with you and the staff member. We need to keep open communication and work as a team to support student learning. Address issues quickly, don't keep them bottled up, but remember there is always two sides to every issue.

Harmony Day, is being held on the 21st March with performances by students and a picnic lunch. If you have a business and want to provide a "pop up café" for the day let us know.

P&C are into organising Market Day. For those of you who are not sure what this is it is similar to a school fete. If you want to help please let the P&C know what times you are available.

## Bus Passes

All students travelling to and or from school require a bus pass. These are ordered on line. If you need help the bus company will assist. The website for applications is <https://apps.transport.nsw.gov.au/ssts/applyNOW>

Have a great week  
Regards Sandra

## National Schools Clean-Up Australia Day

Friday Week 5, 24<sup>th</sup> February. 12.50 - 1.25pm

We will be cleaning up our school grounds in grade buddy/groupings.

- Kinder will be with Yr 6 Student Leaders, which includes Captains, Prefects, Year 6 SRC and Environmental Councillors
- Year 1 will be with Year 4
- Year 2 with Year 5
- Year 3 with Year 6

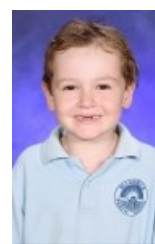

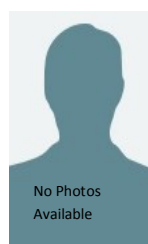

Your child may wish to bring a pair of gloves on the day. The school has only a limited supply of gloves.

It is hoped this will be a good warm up and a reminder for the Australia wide 'Clean up Australia Day' held on Sunday the 5<sup>th</sup> of March.

Thank you—Forest Ferals

# School Assembly Information

This semester we are trialling a change in our school assembly routine in order to develop stronger partnerships between Infants and Primary students and teachers.

There will be no more separate Infants and Primary assemblies. All students will be split into two groups (Assembly A or Assembly B) and will have a K-6 Assembly every fortnight (approximately). There is a timetable below that outlines what assembly group your child is in and when their class item is on. (Infants assembly items will be scheduled for Terms 3 & 4).

Assemblies will start at 12pm on a Friday unless specified below.

**Please check to see if your child is in Assembly group A or B and note the dates of the Assembly.**

In addition, there will be whole school assemblies (every student) for special events such as Harmony Day ANZAC and NAIDOC Day.

We will send home a survey during Term 2 to get your thoughts on this trial.

## Kinder News

While the new Kindergarten children are settling into school routines, we ask that you please do not send any money to school to spend at the canteen. Kinder children become confused and upset with this new experience. Children are able to order their lunch by placing an order in the lunch basket in the classroom. Kindergarten will be able to go to the canteen from Monday 27th February.

Thank you for your support and understanding in this matter.
