*Learn to Live, Live to Learn*

Term 1 Week 9, 2017  
[www.ulladulla-p.schools.nsw.edu.au](http://www.ulladulla-p.schools.nsw.edu.au)

Dear Parents and Students,

## **Parent Interviews**

This week is Parent Interview Week and an important time for teachers and parents to discuss learning of students. As we know each and every child is unique and when it comes to learning we need to concern ourselves with learning progress. We know that each child will have particular strengths and weaknesses to work on, but what really counts is the effort, attitude and commitment of each student in progressing to become better at something than they were the day before. Take this opportunity to continue building rapport with your child's teacher so the school and home can support the teaching and learning of children. We look forward to seeing you at school if you have yet to have your interview.

## **Harmony Day**

Yesterday our school celebrated Harmony Day in spectacular fashion. Our teachers and students dressed up and rose to the occasion. Although our school celebrated through the performing arts it is important to remember the main messages of Harmony Day in that *Everyone Belongs*. We would like to thank the teachers and Viliami for their work on preparing two shows. We would also like to thank all of the parents and community members who attended the performances and came to the school to visit children. We are lucky to have such a supportive school community that indulges in the initiatives and opportunities we provide for our students.

## **Representatives Promote the School.**

Teachers have been impressed by the standards of behaviour of our children when representing our school in sporting and community endeavours. We are proud to be known as a school with good manners and a sense of fair play. Congratulations to all.

## **Market Day**

Our Market Day is only a few weeks away. It will be held on the second last day of term. Not only is this day a great community event, it is our major P & C fund-raiser for our school. Our P & C and teachers are working hard in preparation for this day and we look forward to a very enjoyable and successful day.

## **Easter Hat Parade**

Our Infants Easter Hat Parade lights up our school tomorrow. We again welcome the community to come and see our students shine as their parade their Easter creations. The parade commences at 2.15pm. So bring a camera and your festive attitude to recognise the creativity of our Infants students.

## **Our Wonderful Staff**

I would like to take the time to acknowledge the amazing staff at Ulladulla Public School and the commitment they display to their work. Some people have a job that they go to on a daily basis to put in time to receive payment at the end of the week. Ulladulla teachers often go beyond their duty because of the passion they exude to make a difference in the lives of children. We need to thank them for providing the myriad of wonderful opportunities that support the growth of our children and for helping shape the lives of students.

## **Mrs Bradley Long Service Leave**

Mrs. Bradley is on Long Service Leave from the 23/3/17 until the end of Term 1. Whilst she is away Mr. Stanton will be Relieving Principal. We hope she enjoys this time and look forward to her return in Term 2.

## Netball Gala Day

Last Thursday two netball teams from Stage 3 travelled to Broulee for a Netball Gala Day. The girls were only able to play half of the rounds due to the wet weather. As the rain got heavier and heavier, the girls didn't let it dampen their enthusiasm. I would like to congratulate them all as they represented UPS with grace and sportsmanship. Thank you to parents and helpers for their support and assistance on court. Congratulations to Madi L. and Jaz D. for being selected to try out for the District team. Good luck girls.

## **National Assessment Program – Literacy and Numeracy (NAPLAN) 2017**

### **LETTER TO PARENTS**

---

In May 2017 the National Assessment Program – Literacy and Numeracy (NAPLAN) will be completed by students in Years 3, 5, 7 and 9. NAPLAN has the support of all State and Territory Education Ministers and will assess the literacy and numeracy skills of students across Australian schools.

The results of the tests will provide important information to schools about what each student can do, and will be used to support teaching and learning programs. Parents will receive a report indicating their child's level of achievement. Each student's level of achievement will be reported against the national minimum standard.

Student background information (student name, gender, date of birth, language background and Aboriginality) will be collected as part of the National Assessment Program. This information is treated confidentially and held securely to ensure that every student's right to privacy is maintained.

The NAPLAN tests will be conducted from 9-11 May 2017.

<b>TUESDAY 9 MAY</b>	<b>WEDNESDAY 10 MAY</b>	<b>THURSDAY 11 MAY</b>
<b>Language Conventions</b> (Spelling, Punctuation and Grammar)	<b>Reading test</b>	<b>Numeracy test</b>
<b>Writing test</b>		

In the numeracy tests students do not require any measuring tools such as rulers or protractors. In Years 7 and 9 there will be one numeracy test with two parts: Part A calculator is allowed and Part B where calculators are not to be used. For the calculator test, the student should use the calculator that they currently use at school.

**Friday 12 May** – A 'catch-up' day is scheduled for students who missed a test or were absent on a test day. Students may be considered for exemption from the tests if they:

- are newly arrived in Australia (less than one year before the test) and with a language background other than English, **or**
- have significant intellectual disability and/or significant co-existing conditions which severely limit their capacity to participate in the tests.

All other students are expected to participate in the tests. Disability adjustments which reflect the student's normal level of support in the classroom may be provided. Large print, braille, coloured paper versions and electronic tests are available to meet the needs of individual students.

Access to disability adjustments or exemption from the tests must be discussed with the school principal and a parent or carer consent form must be signed.

Students may be withdrawn from NAPLAN by their parent or carer. This is a matter for consideration by parents in consultation with the school principal. If you wish to withdraw your child from the tests, a parent or carer consent form must be signed.

Please make an appointment with the principal of the school your child attends if you would like to discuss your child's participation in NAPLAN.

Additional information about NAPLAN can be found at <http://www.nap.edu.au/naplan/parent-carer-support>
