Term 2 Week 9, 2017  
[www.ulladulla-p.schools.nsw.edu.au](http://www.ulladulla-p.schools.nsw.edu.au)

Dear Parents and Students,

As we move closer to the end of term teachers have been busy writing reports to indicate your child's progress, these will be coming home soon.

Next week the school will be involved in NAIDOC activities with each stage having an afternoon of activities on a rotating basis. Friday will be our NAIDOC Assembly, you are all welcome to attend at 12pm in the hall. There is a special NAIDOC celebration being held in town the first week of the school holidays, keep an eye out for this information.

The State budget which was handed down this week did not provide any additional money to Ulladulla Public School to improve the issues we have with our buildings. We were hoping we would get some additional funding to catch up on the back log of issues.

Congratulations to all our participants in the Athletics Carnival last week and special congratulations to our winners and record breakers. Thank you to the teachers who organised this and those teachers who ran events all day. We were lucky the weather was kind to us. For those parents who were able to

drop in for the day or for some part of it and for those who helped out, thank you. Students love seeing their family or friends come along to cheer them on.

Next term we will be holding a parent afternoon to introduce the new procedures for paying money for excursions, school contributions and other events at the school. We will send out invitations via the students, please come along and learn the different options you will have and make a choice of what works best for you.

I apologise for the shortness of this newsletter today and my absence this week. My cold last week resulted in an ear infection which has given me a perforated ear drum. I will be back at school for the last week of term. I know that Mr Stanton and Mr Burns are very capable and will be able to assist parents with any issues they may have.

Regards Sandra

## OFFICE NEWS

A payment drop box is located in the front office for all payments. Clearly indicate your child's name, class and payment details on an envelope. The office accepts cash or cheque only.

Beginning in Term 3, we will have an online payment option available. Access will be via the school website.

A friendly reminder that the uniform shop is open Wednesday morning 9am to 10am and afternoon 2pm to 3pm.

If you arrive early for afternoon pick up wander over to the P&C cottage near the staff car park & grab a bargain.

The next P&C meeting will be held on Monday 14th August, time to be announced closer to the date.

A big thank you goes out to the ladies in the canteen last Friday during the Athletics Carnival. They worked very hard that day, all things considering.

Next year we will need more volunteers to help in the canteen so if you can spare even 30 minutes it would help them out immensely.

## NETBALL REPORT

Ulladulla played Pambula Public School on Thursday 15<sup>th</sup> June in Round 3 of the NSW PSSA Netball Competition. Our team played extremely well together and won the game convincingly 31 to 4. The girls now wait to see who they will play in Round 4. Many thanks to Holly and Lorraine for umpiring and Dee for her coaching tips from the sideline. Well done on a fantastic game girls!

## SCHOOL ATHLETICS CARNIVAL REPORT

Last Friday, in near perfect conditions, students from years 2-6 participated in the annual School Athletics Carnival. The grounds looked fantastic and the enthusiasm from the students and teachers was at an all time high. Enormous appreciation and thanks goes out to the students, high school helpers, parents, grounds staff, P & C members, canteen helpers and teachers that turned up early to help set up and for their continued efforts throughout the day.

Students rotated through a range of activities including shot put, high jump, long jump, sprinting, ball games, tug-o-war and a variety of novelty events. Phew! No wonder they came home a little tired or 'hit the hay' early. They earned it!

Those athletes placing 1<sup>st</sup>, 2<sup>nd</sup> or 3<sup>rd</sup> overall in their events received a ribbon at Monday morning's Stage assemblies and everyone that 'gave it a go' in at least one event received a competitors ribbon for their efforts.

Congratulations to the Age Champions who were announced on the day. They will receive a trophy at this Friday's K-6 assembly starting at 12pm in the hall.

8 years- Michaela C., Daniel B. & Connor T. (tied)

9 years- Cheyanne M., Sebastian D.

10 years- Ella C., Tyler N.

11 years- Olivia G., Hudson F.

12 years- Neeve L., Cody W.

The mighty Currawongs were just too strong out the day and took out the shield for the strongest House team. The Seagulls placed 2<sup>nd</sup>, Seahawks 3<sup>rd</sup> and Kookaburras 4<sup>th</sup>.

A full list of results will be available in next week's bulletin.

## SHARINGSTORIES FOUNDATION EXHIBITION & LIZ THOMPSON PHOTOGRAPHY

26 May – 9 Jul 2017

SharingStories Foundation supports communities in holding and sharing cultural knowledge and stories through dynamic digital storytelling programs. This exhibition offers deep insight into relationship with Country and culture through a vibrant multi media interpretation of the story of Gandjalala, the Sugar Bag Hunter, by the Wägilak Community of North-East Arnhem Land. Liz Thompson's photographs from her *A Song for Country* series, also produced with the Wägilak community, are part of the 2017 Head On Photo Festival and Guringai Festival programs.

Thanks to Wales Family Foundation and Lord Mayor's Charitable Foundation (Eldon & Anne Foote - Donor Advised Fund) for supporting work with the Wägilak community.

## Information for parents and carers

### WHAT IS THE NATIONAL DATA COLLECTION?

The Nationally Consistent Collection of Data on School Students with Disability (the national data collection) is an annual collection that counts the number of school students receiving an adjustment due to disability and the level of reasonable adjustment they are receiving.

The national data collection counts students who have been identified by a school team as receiving an adjustment to address a disability as defined under the *Disability Discrimination Act 1992* (the DDA). The DDA can be accessed from the ComLaw website at [www.comlaw.gov.au](http://www.comlaw.gov.au).

### WHAT IS THE BENEFIT FOR MY CHILD?

The aim of the national data collection is to collect quality information about school students receiving an adjustment due to disability in Australia.

This information will help teachers, principals, education authorities and families to better support students with disability to take part in school on the same basis as other students.

The national data collection provides an opportunity for schools to review their learning and support systems and processes to continually improve education outcomes for their students with disability.

### WHY IS THIS DATA BEING COLLECTED?

All schools across Australia collect information about students with disability. But the type of information currently collected varies between each state and territory and across government, Catholic and independent school sectors.

When undertaking the national data collection, every school in Australia uses the same method to collect information. Therefore, a government school in suburban Sydney collects and submits data in the same way as a Catholic school in country Victoria and an independent school in the Northern Territory.

The annual collection aims to, over time, lead to nationally consistent, high quality data that will enable schools, education authorities and

The information collected by schools will be available to all governments to inform policy and program improvement for students with disability.

### WHO IS INCLUDED IN THE NATIONAL DATA COLLECTION?

The definition of disability for the national data collection is based on the broad definition under the DDA.

For the purposes of the national data collection, students with learning difficulties, such as dyslexia or auditory processing disorder, as well as chronic health conditions like epilepsy or diabetes, that require monitoring and the provision of adjustments by the school, may be included.

### WHO COLLECTS INFORMATION FOR THE NATIONAL DATA COLLECTION?

Teachers and school staff count the number of students receiving an adjustment due to disability in their school, and the level of reasonable adjustment they are provided, based on:

- consultation with parents and carers in the course of determining and providing reasonable adjustments
- the school team's observations and professional judgements
- any medical or other professional diagnosis
- other relevant information.

School principals are responsible for ensuring the information identified about each student is accurate.

### HOW IS MY CHILD'S PRIVACY PROTECTED?

Protecting the privacy and confidentiality of all students and their families is essential and is an explicit focus of the national data collection. Personal details, such as student names or other identifying information, are not provided to local or federal education authorities.

Further information about privacy is available from [www.education.gov.au/notices](http://www.education.gov.au/notices).

### IS THE NATIONAL DATA COLLECTION COMPULSORY?

Yes. All education ministers agreed to full implementation of the national data collection from 2015. This means that all schools must now collect and submit information annually on the number of students receiving adjustments due to disability in their care, and the level of adjustment they receive.

Information about the arrangements that may apply to your school in relation to this data collection is available from your child's school principal and the relevant education authority.

### FURTHER INFORMATION

Contact your child's school if you have further questions about the Nationally Consistent Collection of Data on School Students with Disability.

# Ulladulla Public School Policy: School Enrolment Policy

**Date Drafted: 1/5/03**

## **Rationale:**

Ulladulla is a rapidly developing area. It is a requirement that all schools have a policy for student enrolments. Ulladulla Public School receives a number of requests for non-local enrolments. With a growing school population it is imperative that the following processes are followed.

## **Implementation:**

1. At the time of writing this policy, Ulladulla had 800 students. Out of area enrolments are likely to mean a need for additional accommodation. The school's growth is also placing heavy demands on school play areas and resources. Given these circumstances any requests for non-local placement will only be endorsed after consideration by the school's placement panel. The exception to this would be siblings of students already enrolled at the school.
2. The placement panel will include the school principal, one staff member and a community member nominated by the P&C.
3. Any requests for non-local enrolment need to be in writing. Consideration will be given to the following :
  - Proximity & access to the school
  - Medical reasons
  - Compassionate circumstances
  - Safety & supervision of students before and after school.
4. Appeals against a decision of the placement panel are to be in writing to the principal. If the matter is not resolved, it may be referred to the district superintendent for final determination.

**Map showing school feeder zone.**

Please contact the school office if you require clarification on 4455 1649.
