Dear Parents and Students,

Today's newsletter introduction has been written by Madison L. of class 6J following her major achievement of receiving Gold Level 6. The reward for achieving such a milestone involves being 'Guest Principal' for a day. Enjoy her insights into this very busy but rewarding role.

Guest Principal Report

Last Friday, the 11th of August, I received the privilege of being Principal for the day at Ulladulla Public School. The day was hectic from delivering notes to typing this newsletter. I learnt a lot from this experience.

Achieving Gold Level 6 and becoming Principal for the day was a goal of mine. To achieve this goal I had to collect a number of school level awards which could be traded up to get a Silver Principal's award. You need to collect 3 Silver awards to earn a Gold award. Therefore, to get to Gold level 6 you have to repeat this process 6 times. That means you need to get 18 Silver Principal awards to get to Gold level 6!

Although hard, it was a fun day as I had my best friend, Cherie T. from class 6B, by my side as my personal assistant. The school has always pushed me to achieve my full potential and to remember to learn to live, live to learn. Because as you get older it is harder to receive awards.

The likes and dislikes about my experience as Principal

I liked the fact that I could see what the office is like for the day. Whilst the office workers are not seen often, they provide us with all the things our school needs. Such as collecting payments, notes and they care for sick and hurt kids every day.

Our lovely canteen ladies and gentlemen were busily working, cooking and serving. I loved giving them a hand when I wasn't too busy.

I was able to witness our sports teachers working and they are always keeping fit running around organising carnivals, teams and training.

The dislikes are that I am very shy so I was nervous about going on stage to present the Gold and Principal awards.

Book Week Parade

Our school Book Week Parade is quickly approaching so start thinking of ideas of what to dress up as. I know I have a great costume planned. The Book Week Parade is on next Tuesday, 22nd of August at 12pm in the school hall. You are also invited to stay back and have a picnic lunch with your children following the parade. The canteen will be open for family and students to purchase on the day.

Harbour Beats

Are you a good artist, singer or drummer? Well, the harbour beats festival is fast approaching! Does this sound like the thing for you? Come try it out and see Mr. Johnson of class 6J for more info.

The Suggestion Box

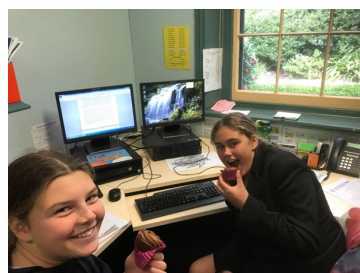

Ulladulla Public School Boys Captain Sam D. has been working very hard to come up with a suggestion box to keep in the library. It will be in the library every Friday. If you have an idea for the school, write it down on a piece of paper, put your name on it and place it into the suggestion box.

Girl's Cricket

As a member of the girl's cricket team, I can proudly report that we beat Milton PS 100-99 in our 2nd round PSSA match. Our 3rd match against Tathra Public has also been played and we bowled them out in 9 overs and won the game. Our next game is in Bowral against Bowral Public on the 21st September.

Thank you for my experience as Guest Principal

Madison

Cherie and Madison enjoying a brief but well-earned break!

I would like to acknowledge the outstanding work undertaken by Madison and Cherie in the office last week. They went about all of their tasks with confidence and enthusiasm and were a pleasure to have in the office. You both should be very proud of your efforts and how you have grown up to be responsible, caring and conscientious students. Well done, I am sure you will inspire many other students to achieve such greatness!

Finally, I hope to see you at next week's book parade. It is such an amazing community event which our students and staff enjoy!

All the best

Justin

Boys and Girls PSSA State Knockout Touch Football

Last Thursday the Boys' and Girls' Touch Football Teams travelled to Frogs' Holla Oval to play their latest matches.

The Boys' Team played their Round 4 match when they took on Batemans Bay Public School in a very closely contested match. At half-time the teams were locked together at two tries a piece. The second half was an end-to-end contest with Batemans Bay running out the eventual winners at 6 tries to 4.

Well done to the entire team and their coach, Mr Johnson.

The Girls' Team then took to field to play their first competitive match in the Round 3 game against Milton Public School.

The team started strongly and combined well in attack. At half-time the Girls' had established a solid lead of 6 nil. The team continued to defend well and maintained their attacking play to run out eventual winners 11-0.

We would like to thank all of the parents for their support and thanks also to Tarje, Brodie and Mr. Johnson for their refereeing.

The Girls' Team will play their Round 4 match against Tathra PS at Lighthouse Oval, this Friday 18th August.

Mr. C. Buckley
