Term 3 Week 8 2017

www.ulladulla-p.schools.nsw.edu.au

Dear Parents and Students,

Spring has commenced but our weather can still be unpredictable. Please ensure your child has a jumper and hat packed with them each day. All of our students require a hat to play outside and this is extremely important as temperatures start to increase. Having a jumper packed will help on those days where we have a cold change. I spoke with a number of 'freezing' students last week who were not prepared and did not have a jumper at school.

Father's Day

I hope all of our Dads had a great weekend and got to spend some quality time with their family. There are some amazing places to visit in our local environment and make great adventures for the family. A special thank you must go to our P&C and all of the volunteers who helped with the Father's Day stall last week. I hope you received an awesome gift!

Kinder 2018 Interviews

Welcome to all of our new Kinders and their parents! They will undertake their interviews this week. This is a valuable process whereby the school gets to know your child at an individual level and we can address any specific questions or concerns you may have. Please ensure you bring all relevant documentation and your child to the interview.

ATHON

Our Athon fundraising continues with Infants students collecting sponsorship for their Read Athon and Primary students collecting sponsorship for their Obstacle Course Athon. Please support this valuable fundraiser as all money raised will go back into further developing our school playground. Thank you to local businesses who have supported the Athon this year.

The Father's Day stall was fantastic, the children loved all the gifts we had and some came back for more to spoil their Dads, Step Dads, Granddads and even their Mums. It was so lovely to see and all the ladies at the stall were touched. Thank you to all the lovely ladies who helped in the stall on both days, it was hectic but fun and I'm very much looking forward to the next one.

Thank you to the 8 Year 6 students who were my class runners for the stalls, you guys did so well and you were all very responsible.

The next P&C meeting is Monday 11th September at 2pm. If you would like to attend please sign in at the office and you will be directed where to go.

This month we will be launching the Helping Hands program. We just need help from parents who have the time to help out, you will not be required to join the P&C. A note will be sent home this week asking for helpers for all P&C events, please pop your email addresses down and give them back to your class teachers.

Environmental Month

During September, to mark the end of Winter and the coming of Spring, Ulladulla Public School will be celebrating the success of the many different environmental programs we run throughout our school and local community during the year, as well as using the month to highlight the continuing need to care for our environment.

Your child will be invited to take part in some of the following events over the month of September.

K-6 'Nude Food Month' - Package free lunch boxes

K-6 'Fruit and Veg Month' - Both of these programs help support the schools food scrap composting program.

K-6 'The Big Ullabaloo Floating Lantern Project' ARTFEST - Entries from Week 8 up until Week 10

K-6 'Take 3 for the Sea' Mural - Using round plastic bottle tops of different colours and sizes, students will design and create a 'Take 3 for the Sea' mural on the western wall of Block F (Kindergarten rooms).

K-4 'Wattle Day' competition - Entries close on Friday 8th September. **Grade prizes.**

Yr 4 'Pebble Beach' annual Forest Feral excursion.

Yr 3-4 'Millards Creek Bushcare' regeneration native planting project.

Yr 5-6 'Threatened Species drawing competition' Shoalhaven City Council. Entries close Wednesday 30th August. (Please note, entries are due the week before 'Enviro Month') **Individual, class and grade prizes.**

Yr 5-6 'Shorebirds Mural' With assistance from Julie Sydenham (House of Jules Art Studio) students from Yr 5 and 6 will design and paint a mural depicting the need to protect our local shorebird populations.

The '**Nude Food**' program encourages families who send lunches to school, to use less, little, or no throwaway packaging for the month of September in the hope that it becomes a consistent habit.

'**Fruit and Veg**' Month will run through the month of **September**. The children will be encouraged to bring fruit and veggies to eat especially at 'Crunch and Sip' time in the morning. Woolworths (Ulladulla) will be kindly donating boxes of 'Fruit and Veg' each week to support this Healthy Kids Association initiative.

The Big Ullabaloo Floating Lantern' as part of the 'Escape Art Fest' - Students are invited to build a lantern that can float from materials that will eventually break down and not harm our environment. This could be tissues, paper straws, cane, recycled materials or other bits and pieces, even used egg shells. The sky is the limit! Entries will go on display in the school Library and with permission, entered into the '**Escape Art Fest' held during the holidays later in September. With the chance of winning the \$1000 first prize.**

'**Take 3 for the Sea Mural**' This exciting mural will need hundreds of round plastic bottle tops of different colours and sizes collected by students and brought to school in bags of 50 approx. For each bag of plastic bottle tops, the student's name will be entered into a special bingo style draw to win some fantastic prizes.

Each class will be joining in the spirit of the month by either talking about or doing something sustainable over the month. What are you waiting for come on and join the fun!

Thankyou

Student Representative Council,
