

# UPS Newsletter Term 2 Week 1

## Principals Report

### Welcome to Term 2

We extend a warm welcome to all students and their families and look forward to starting this school term off in the best of spirits. It was great to walk around the classes this morning and seeing all of our students glowing from their holiday break. This term is a reporting term where our students achievements within the classroom will be reported against syllabus outcomes and indicators. You will hear more about the reporting process throughout the newsletters this term.

### School Crossing

You may have noticed as you have driven past our school that we now have a raised crossing that was installed over the holidays. This was done via council for the safety of our students and community with the aim to slow traffic down at the front of the school. Please be mindful when driving and parking your vehicle around the vicinity of the school as the safety of our students is important to all.

### ANZAC Day Ceremony

I want to say a huge thank you to all of the students and teachers who attended the local Anzac Day Ceremony on the 25th of April. I also want to apologise for my absence on the day - my grandfather was in hospital and passed away later that night. Anzac Day is important to me and thousands of other Australians as we get to pay our respect and gratitude for all of the people who have represented our country in difficult circumstances. We also get to be thankful for the freedom we have today. A huge thank you must go to Mr Stanton for organising the wreath, our school leaders and the tremendous school ceremony that was held today. Our students continue to do an outstanding job in facilitating these events.

### Teacher Visibility

Late yesterday afternoon a big delivery of high visibility vests arrived in our school foyer and were given to teachers this morning at our Communication Meetings. These vests will be worn by teachers on duty so that students can more easily identify teachers on duty when the need arises.

### Playground Changes

This term we see our Year 2 students transition into the Primary Playground. Last year we successfully trialled this approach as our Infants playground seemed to restrict students with the amount of space available throughout the year. We will train our students to follow the correct procedures and allow them to be in the 'Big Playground'.

### Tathra Bushfire Appeal

We are so pleased to announce that we raised \$1189.95 to be donated to the Tathra Bushfire Appeal. This is a great effort by our community and we extend our thanks to all of the students and families who contributed to make the appeal successful. It will definitely go a long way to helping assist with replacing items destroyed by the fires.

### Crazy Hair Day

This Friday our students will get to come to school with crazy hair! Our Student Representative Council (SRC) are hosting this event and we always are surprised at the creations of students and parents. Let's get behind our SRC and support them with this fundraising initiative.

## Mother's Day Stalls

Our P&C will be giving students the opportunity to grab mum a present at the mother's day stall next Tuesday, Wednesday and Thursday (back up day). The stall is always popular for our students and it gives our children a chance to spoil their mum and say a huge thank you for all that you do.

Have an amazing week,

Trent Burns

Relieving Principal
