

UPS Newsletter Term 2 Week 4

Principals Report

Friday Assembly

At assembly last week I thanked the Primary School students for their settled start to the term and addressed the trait of 'Trying Your Best'. There is a vast difference between being the best and trying your best – we certainly don't expect our students to be the best at everything they attempt but we do expect them to continue trying their best. We know that each person's best varies from day to day – just as a 100 metre sprint champions best changes – but as long as our students are trying and making learning progress that is all that we continue to ask for.

James Nottingham

Last Tuesday evening our staff, together with Ulladulla High School and Milton Public School, had a twilight professional development session with James Nottingham. James was amazing with the delivery of his key message on how to make the most significant differences in learning from Kindergarten to Year 12! James talked about the importance of feedback and what we should focus on when we are giving feedback to students and the appropriate times to give feedback to students. We thank James for visiting us and impacting upon our learning community in Ulladulla – we were certainly in the hands of an outstanding educator.

NAPLAN

Our Year 3 & 5 students completed their NAPLAN testing last week. Congratulations is given to all who came to school with the right attitude and in the spirit of giving things a go and trying your best.

Australian of the Year Tour

Last week I reported how lucky and excited we were to be having the NSW Australian of the Year nominees visit our school to meet our students. The tour will still be going ahead but the date will be changed as Michelle Simmons has been nominated for an International Award and will be overseas on the first published date. We will continue to look forward to the visit continuing and welcoming our guests.

Playground Equipment

Over the past few years the P&C and the school has been raising funds to put towards an extensive piece of playground equipment in the primary oval. At this point we are putting in a submission to the Department of Education's Asset Management Team to gain approval before moving forward. The equipment will be a climbing frame and huge sandpit to accompany it. This exciting project has been funded by the P&C and Athons with every dollar being raised from our local community. We look forward to getting the go ahead in the coming weeks.

Have a great week,

Congratulations to both our dance troupes for their outstanding performances at the Nowra School of Arts on Friday 18 May. The Junior Troupe were awarded 2nd place and the Senior Troupe came away with 3rd place in their respective categories. Thanks go to all the dancers and Miss Newman for all the time, energy and enthusiasm you put in to producing such polished performances and representing our school so beautifully.

Interschool Equestrian Competition

From 28 April to 1 May the Snowy Mountains Interschool Equestrian Competition (SMIEC) was held in Jindabyne. Phoebe L. from 6B attended the competition, representing Ulladulla Public School, competing on Sunday, Monday & Tuesday. With around 300 riders Phoebe rode well and placed 5th in the Flagging, 8th in the Interschool Challenge & 36th in the Stockhorse Challenge (she was up against about 100 riders in Years 5 and 6). This was a great experience for both horse and rider. Well done Phoebe.

School Photos

All school photos have been distributed to classes and given to the students. If your child did not receive their photo/s which were ordered and paid for, you can contact Don Wood Photography on 02 95425370.

You will need proof of purchase and your child's name and class.

This week is **Library and Information Week** (21-27 May) and as a way to celebrate UPS is taking part in the **National Simultaneous Storytime 2018**.

This Wednesday at 11am the students will catch up with their buddy class and enjoy listening to *Hickory Dickory Dash*.

National Simultaneous Storytime (NSS) is held annually by the Australian Library and Information Association (ALIA). Every year a picture book, written and illustrated by an Australian author and illustrator, is read simultaneously in libraries, schools, pre-schools, childcare centres, family homes, bookshops and many other places around the country. It is a colourful, vibrant, fun event that aims to promote the value of reading and literacy, using an Australian children's book that explores age-appropriate themes, and addresses key learning areas of the National Curriculum for Kindergarten to Year 6.

P & C News

The Winter canteen menu has started today, you will notice there has been a price rise on some food and a lot of food has been taken out. This makes life easier for the canteen staff and volunteers during the day. Both Jenny and Mel have done a great job on the menu, thanks ladies!!

Last week was Canteen week - I would like to thank all the volunteers who give up hours in their day to help out in the canteen. Your help is very much appreciated. Jenny and Melissa, you do a wonderful job in the canteen and I know the children love the food that you make.

This Wednesday afternoon from 3pm we will be running a jumper stall. The jumpers are all second hand, clean and ready to be worn. All jumpers are \$2 and we have so many sizes for you to choose from. We will set up near the canteen.

The next P&C meeting will be 18 June at 2pm, the agenda will be posted closer to the date.

Have a lovely week,

Kind regards,

Lisa Ricketts
