

UPS Newsletter Term 2 Week 9

NAIDOC Week

Next week our school celebrates NAIDOC week and we welcome the National Parks and Wildlife Service who will conduct activities and workshops with all of our students from Monday to Thursday. We are excited to host these programs for the first time. I am really looking forward to our NAIDOC Week Assembly this year and especially some of the performances that our students will be a part of. An original song and an original dance routine will be performed along with the attendance by local members of our Lands Council, Aboriginal Education Consultative Group and Aboriginal and non-Aboriginal community members. We are surely in for a fantastic week and a fantastic assembly on Friday.

Athletics Carnival

Our school is certainly a special place and this is reflected in the events that we are continually involved in. The school Athletics Carnival is no exception. I don't know how but our carnival organisers always seem to produce days when the weather and conditions are fantastic for our participants. A huge thank you to Mrs D'Ombrian and Mr Buckley for their organisation and to all of the wonderful staff who braved the cold morning to help set up for the day. We also need to thank our volunteers who continue to contribute and our wonderful students for their enthusiasm and participation. We wish all of our competitors who will be representing our school at the District Athletics Carnival the best of luck.

Australian Early Development Census

Next week our Kindergarten teachers will be completing the Australian Early Development Census put out by the Australian Government. A letter went home to all Kindergarten parents stating the time frames that schools across Australia have to participate in the census along with some additional information. There is no need for any input or participation by children on any level. If you have any questions regarding the census please see your child's classroom teacher. Additional information can be found on the website: <https://www.aedc.gov.au/>

External Validation – What is it? Community Involvement

Our school will be undergoing an external validation in Week 5 of Term 3. We are excited by the opportunity to present evidence sets on how we are tracking according to the School Excellence Framework. The School Excellence Framework focusses on three domains – Learning, Teaching and Leading. Within each domain are content themes that the school needs to address and provide evidence to a panel along with a school self-assessment. We are looking forward to also being able to gain community input into the evidence sets and would like to provide an opportunity for all community members to view the evidence sets on Thursday 26th July of Week 1 of Term 3. If you are interested in having seeing the evidence sets and having a part in the process please e-mail the school stating your interest and a preferred time. We will select a time that caters for the majority of people. It is also a fantastic opportunity for parents to see the wonderful things that we are doing at our school and to also see the areas we are working on. All schools are continually on a journey of improvement and reflection and Ulladulla Public School is no exception. We hope that our community members take up this opportunity.

School Excellence Framework: <https://education.nsw.gov.au/policy-library/related-documents/school-excellence-framework-version-2.pdf>

Food for Thought - Labels Limit Learning

Often we have the best intentions for the praise we give our children and the students we teach but often we are unaware of some of the impacts that it can have. This TedX talk by James Nottingham highlights some of the key factors and offers alternatives to the things that we often say that we think is positive. It is definitely worth a look: <https://www.youtube.com/watch?v=viHaslVc9cc>

Have a great week,

Trent Burns

Excellence Awards Week 9

Kindergarten

Braxton A. - KCF - For fantastic effort and application in Maths.

Year Three

Tyler B. - 3C - For effort in class and reading support.

Year Four

Angus V. - 4EH - For outstanding work in Science and Geography.

Year Five

Sebastian D. - 5B - For his outstanding sporting achievements and his contributions to class.

Year Six

Felix N. - 6G - For excellent attitude and application across all learning areas.

Primary Athletics Carnival Results 2018

The Primary Athletics Carnival went off without a hitch last Friday. The sun worked its magic for us, the events ran smoothly and the students were enthusiastic and well behaved. We couldn't ask for anything more.

It's fantastic to see so much support from the community at an event like this. The oval was flooded with students, teachers, parents, carers, family and friends. Enormous gratitude goes to the many helpers who helped to organise and run the event. Mr Buckley, Mrs D'Ombrian, Mrs O'Callaghan, the P

& C, canteen staff, high school helpers, groundsman and sports leaders all deserve a nod of recognition for pulling it all together.

Place holder ribbons will be presented at Stage assemblies on Friday 29th June.

100M Sprints

AGE CHAMPIONS

8 YRS Grace M & Joey S

9 YRS Tully W & Zach G

10 YRS Cheyenne M & Seb D

11 YRS Ella C & Tyler N

12 YRS Rachael P & William J

House points will be tallied and the winning house group will be announced at the next Primary assembly on **Friday 29th June**. Age Champions will also be presented with their trophies. Many of these students will have the opportunity to represent UPS at the **District Athletics Carnival in Narooma on the 17th August**. Please note that the above results are not the District entries. These will be published soon and students will receive notes if they are eligible for selection.

NSW PSSA Girls Touch Football State Knockout Round 2

On Friday 15 June, the Girls touch team travelled to the Lighthouse Oval for their Round 2 NSW PSSA State KO match against Milton Public School.

We were all a bit nervous even though we were looking forward to a close match. As it turned out we had good reason to be, as the game evolved into a closely contested match, with play constantly flowing from one end of the field to the other.

Ulladulla broke the deadlock towards the end of the first half, with a terrific solo effort by Rachael, sprinting right through the centre of Milton's defensive line, managing to touch down with plenty of Milton defenders in hot pursuit. At half-time the score was Ulladulla-1 to Milton-0.

The second half was almost a carbon copy of the first, with both teams defending stoutly and attacking the opposition's try-line right across the playing field.

This time it was a sublime pass from Elise that put Rachael through a gap in Milton's defensive line, for Rachael to race away for another excellent try.

The score at the final whistle was Ulladulla-2 to Milton-0. Congratulations to all of the players, with all of the girls doing a great job of supporting each other in both defence and attack. Thank you to the parents and friends who lent their support.

The Girls touch team's next NSW PSSA Girls Touch Football State KO Round 3 match is a home game against Sanctuary Point.

By Molly and Asher

Parent Online Payments

Westpac have implemented changes to the Parent Online Payment portal, making it more user friendly. The payment page is accessed from the front page of the schools website by selecting \$ Make a payment.

Changes includes:

- Collapsible sections have grouped information in a more logical order making the form easier to use
- Browser auto-fill will allow parents and carers to make payments without having to re-enter details
- More time to enter details
- Larger controls to make it easier to use on mobile screens

Items that can be paid include voluntary school contributions, subject contributions, excursions, sales to students and creative and practical arts activities (these include band, drama and dance). There is also a category called 'Other' this to cover items not covered in the previous headings, Other can be used to make a complete payment of a school invoice.

When you access the \$ Make a payment you must enter:

- student name
- class name
- date of birth

These details are entered each time you make a payment as student information is not held within the payment system. There is the option to enter the Student Registration Number and Invoice number, these are optional fields and are **not used at our school**, please leave blank.

This is a secure payment system hosted by Westpac to ensure that your credit/debit card details are captured in a secure manner, these details are not passed back to the school.

You have the ability to check and change any details of the payment before the payment is processed. Receipts can be emailed and/or printed.

Details of the payments are passed daily to the school where they will be receipted against your child's account.

For any enquiries regarding the Online Payment process please contact the School Administration Office. You can also find an Instruction Guide on our website by [clicking here](#).

Expression of Interest to Enrol in Kindergarten 2019

Parents/carers seeking to enrol their child in Kindergarten at Ulladulla Public School for 2019 are being asked to complete an Expression of Interest form. Enrolment is open to children who turn 5 years of age on or before 31 July 2019.

An Expression of Interest form can be downloaded from the school website [here](#), or copies are available for collection from the school office.

P & C News

A huge thank you to all the parent helpers who gave their time for the BBQ last Friday. Melissa J, Raelene M, Cheryl D, Debbie D, Anne M, Nicole T, Kelly C, Kim B. The money raised from the BBQ has been added to the fundraising pool.

Thank you to Ted's Butchery Milton for the sausages and bacon, everyone loved them. Thank you to the parents who donated the eggs!

The Uniform Shop is open every Wednesday at 9am. Pop in and grab some jumpers for your kids for \$2. We have plenty of them. If you are looking for leather shoes have a look at the ones we currently have with lots of different sizes.

Kind regards,

Lisa Ricketts
